REGISTRATION FORM WAIVER

In consideration of my [and/or my child(s)] participation in this activity, I (we) will follow the rules and regulations set by Rare Earth Music Studio. Parent or guardian must sign for anyone age 18 and under.

Tuition/Registration/Withdrawals

Monthly tuition is a flat fee as specified for private lessons in this document. Monthly tuition is due in full at the time of registration and thereafter, by the first day of each month. If more than one family member is enrolled during the same term, the second family member, and each additional family member will have their monthly tuition discounted by 5%.

Students who withdraw from private lessons, one week or more before the first class of the month, will receive a full refund. Before the second class, 50%. No refunds will be given after the second meeting.

You may register for lessons, by the month, term, or for the full academic year. **This studio's academic year runs from September through August.** Your registration is a contract stating that you have reserved your teacher's time on the schedule indicated and confirmed on your registration form.

For **summer term (June through August)** students may sign up for a predetermined number of lessons at the regular per lesson rate (i.e. \$28 (30m), \$42 (45m) \$56 (60m). Tuition can be paid in full at the beginning of the summer term or broken into 3 equal monthly installments, June 1, July 1, Aug 1.

Attendance, Absences and Make-ups

Tuition reserves all lesson times during a term or academic year for a student regardless of student non-attendance, vacation, field trips, school music obligations, sports, or other extra-curricular activities, etc. Most private studios do not allow make-up lessons. However, in keeping with the tradition of this studio's generous make up policy, make-up lessons will continue to be available on the second Saturday of each month throughout the academic year.

Cases of extended illness will be handled on an individual basis. Any lesson missed due to teacher absence or inclement weather will be made up during the studio's regular break time, on one of the regular make up days, or if a mutually agreeable make up time can't be arranged the lesson fee will be refunded upon request at the end of the term. No credits or refunds will be given for student absences.

Discontinuing Lessons

One month's written advance notice is required to receive any refunds on tuition for the remainder of the year (or to stop automatic withdrawals for tuition paid by credit card). We regret we cannot accept verbal notification of intent to withdraw. **Please email written requests to: mconti@rareearthmusicstudio.com**

Inclement Weather

We are committed to remaining open whenever possible, but student safety is this studio's foremost concern. In general, Rare Earth Music Studio follows the same emergency weather closure procedures as the Seattle and Shoreline Public Schools. In the event that the public schools are closed, a recorded message will be available on the Rare Earth Music Studio phone line (206)417-9766, or email the director at mconti@rareearthmusicstudio.com. We'll do our best to also post information on the studio website at www.rareearthmusicstudio.com.

Photographs and Recordings

Rare Earth Music Studio uses photographs and recordings made at its functions involving students in its publications, brochures, and website. If you prefer not to be included, please notify the director at mconti@rareearthmusicstudio.com with a written notice when you register. We cannot accept verbal notices.

Personal Property Liability

Rare Earth Music Studio does not assume liability for personal property, including musical instruments used in lessons, classes, ensembles, workshops or other studio sponsored activities. All students are encouraged to check with their personal insurance carrier to cover theft or damage.
